heard the discussion. I want to make it clear that the General Fund override on the development disability is for the first year only, and it's just under \$1.2 million. That's the only General Funds involved in this. The other is the earmarking, primarily in the Health and Human Services budget. And the third issue is the Cash Funds, which I have explained for you I think in great detail. And I urge your vote for this. And I will say this is the only veto overrides that I will be supporting, and I think generally that's true of the Appropriations Committee. We felt that these were going to be some difficult decisions. We can't possibly do it all. I will be reminding you of that as we move down these additional veto override motions, but at this point we urge adoption of this override motion. Thank you.

PRESIDENT ROBAK: Thank you, Senator Wehrbein. The question before the body is the motion to override line-item vetoes in LB 389. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: (Read record vote. See pages 2713-14 of the Legislative Journal.) 40 ayes, 4 nays, Madam President, on the motion to override certain line-item vetoes as recommended by the Appropriations Committee.

PRESIDENT ROBAK: The motion to override is successful. While the Legislature is in session and capable of transacting business I propose to sign and do hereby sign LR 290, LR 292, LR 126, LR 124, LR 122, LR 299, LR 298, LR 286, LR 287, LR 293, LR 296, LR 297, LR 110, and LR 289. Mr. Clerk, the next motion.

CLERK: Senator Coordsen, I have a motion with respect to Section 69, Senator, I think this one's happened, but I want to...I've got two from you. This is the first one with respect to, I think, the Department of Agriculture.

SENATOR COORDSEN: Yes, I would like to withdraw that, if that's my \$11.

CLERK: Yes, sir, I believe it is.

PRESIDENT ROBAK: The motion is withdrawn.
